If you would please take some time out to fill out the following questionnaire, it will help me as a breeder to match you up with a potential puppy. I do appreciate you doing this, and if you have any questions for me, please feel free to ask. I will do my best to answer them for you. Thank you!

1. How did you become interested in English Shepherds?
2. What type of dog experience do you have?
3. Do you have children? If so, what are their ages?
4. How important will the dog be in your life and/or the life of your family?
5. Where will the dog stay during the day or at night? Will there be anyone at home during the day?
6. Do you have a fenced yard, acreage, or a farm?
7. What do you plan to do with your dog?
8. Do you have other animals or livestock on your property?
9. How much time can you, or are you willing to devote to a puppy the first year?
10. Will you attend puppy classes? How will you socialize the dog?
11. Will you neuter or spay your dog? If not, are you planning to breed English Shepherds?
12. Are you most interested in a male or a female or it really doesn't matter what sex the puppy is?
